Education

International Institute of Information Technology, Hyderabad — July 2025 – Present
Telangana, India
Master of Technology in Computer Science and Engineering — *CGPA: 9.12*

Indian Institute of Information Technology, Ranchi — Aug 2020 – Jun 2024
Ranchi, India
Bachelor of Technology (Hons.) in Computer Science and Engineering — *CGPA: 9.05*

Projects

Negotiate, Then Solve: LLM Agents for Timetabling | *Python, Gemini, Qwen, RAG, CP-SAT, FastAPI*

- Built an agentic workflow that turns free-text requests from email, chat and a web portal into typed constraints, resolving conflicts via CP-SAT analysis and LLM negotiation through typed tool calls.
- Designed guardrails (authority checks, cited rules, human approval) so that **no attack succeeded** across 50 prompt-injection, spoofing and data-leak tests, even with a fully compromised parser.
- Built hybrid BM25 + dense-embedding semantic retrieval over OCR-ingested PDFs, scans and web pages, raising policy Recall@5 to **93.4%** (vs 87.7% BM25), with every denial required to cite a retrieved rule.
- Distilled 2.7K multi-task examples from every agent call and LoRA fine-tuned Qwen3.5-4B into a quantised GGUF served by llama.cpp on a 6 GB laptop GPU, with automatic rule-based fallback.

IndicLLM: Transformer Pretraining & Reasoning SFT | *PyTorch, SentencePiece, ONNX Runtime Web*

- Built Hindi and Assamese LMs end to end: curated 1.25B tokens (20%+ self-crawled and OCR'd), trained native 16K BPE tokenizers, and pretrained four 25M-param Transformers from PyTorch primitives on 500M tokens each.
- Fine-tuned on solver-generated reasoning, reaching **0.96** test accuracy and **0.85** on 10-hop chains (3× the training depth) vs a 0.48 baseline, with a leakage check ruling out answer lookup.
- Exported all 10 models to ONNX with a KV cache and a JavaScript tokenizer so they run fully in the browser, deployed as a live demo on Railway via Docker.

Retrieve Ten, Keep Three: Re-ranking RAG Evaluation | *Python, FAISS, Cross-Encoders, BM25, FastAPI*

- Built a two-stage RAG over the GDPR (bi-encoder + FAISS retrieves 10, cross-encoder keeps 3), raising Hit@3 from 0.46 to **0.85** on hand-labelled stress questions for **83 ms** per query (under 1% of end-to-end latency).
- Fused BM25 and dense retrieval with RRF, lifting Hit@10 from 0.77 to **0.93** on 100 generated questions for 1.3 ms; with a stronger re-ranker, LLM-judged correct answers rose from 61% to **75%**.
- Built a Qwen3-14B answer judge (**0.87** agreement with hand labels) and audited the test set, showing most of one corpus's wrong answers came from mislabelled gold.

Football Video Analytics with YOLO | *Python, YOLOv8, ByteTrack, OpenCV, Streamlit, K-Means*

- Fine-tuned YOLOv8 with ByteTrack for multi-object tracking of players, referees, and the ball, leveraging deterministic K-Means clustering on jersey pixels for team classification and linear interpolation for ball-gap recovery.
- Compensated camera pan, tilt and zoom with chained RANSAC pitch-plane homographies over Lucas-Kanade flow, mapping camera pixels to pitch coordinates to compute real-world sprint velocities, distance covered, and team ball possession.
- Re-architected pipeline to stream frames in batches, **cutting peak RAM from 5.3 GB to 1.0 GB** and full-video decodes from six to two; built Streamlit app with content-hashed caching for instant re-runs and stats export.

Technical Skills

Languages: Python, C/C++, TypeScript, JavaScript, SQL, Bash.

LLMs & Agents: Pretraining & SFT, LoRA, Distillation, LLM Agents, Tool Calling, RAG, Gemini API, llama.cpp.

Deep Learning & CV: PyTorch, Hugging Face, FlashAttention-2, SentencePiece, YOLOv8, OpenCV, Scikit-learn.

Systems & Tools: FastAPI, CP-SAT, FAISS, Linux, Git, Docker, pytest, NumPy, Pandas, Streamlit.

Achievements

- **B.Tech Rank Holder:** Ranked 2nd in IIIT Ranchi by GPA in B.Tech CSE.
- **PGEE 2025:** Secured All-India Rank 100 in IIIT-Hyderabad Post Graduate Entrance Examination (PGEE).
- **Megathon 2025:** Third rank team in Megathon 2025 in the mobile computing track.

Interests

- Web Novel and Manga Enthusiast.
- Chess and Badminton.
